**Re: Rule Section 0.459 Request for Confidential Treatment
City of Brookings Municipal Telephone Department (SAC 391650)
FCC Form 481 – Carrier Annual Reporting Data Collection Form**

Dear Ms. Dortch:

City of Brookings Municipal Telephone Department (Brookings or the Company), by its attorney, hereby requests, pursuant to Section 0.459 of the Commission's Rules, that the Company's initial "Five-Year Service Quality Improvement Plan" (Five-Year Plan) filed with the FCC Form 481, be withheld from public inspection and afforded confidential treatment. Because of the competitively sensitive nature of the information, Brookings seeks to maintain confidentiality for the Five-Year Plan it has submitted to the Commission in connection with its FCC Form 481. The unredacted Form 481 has been marked **CONFIDENTIAL** **INFORMATION -- SUBJECT TO PROTECTIVE ORDER IN WC DOCKET NOS. 10-90, 07-135, 05-337, 03-109, GN DOCKET NO. 09-51, CC DOCKET NOS. 01-92, 96-45, WT DOCKET NO. 10-208 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION.** A redacted version for public inspection also has been submitted via the FCC's electronic filing system.

REDACTED- FOR PUBLIC INSPECTION

Marlene H. Dortch, Secretary

Page 2 of 3

In accordance with Section 0.459(b) of the Commission's Rules, the Company states:

1. Information for which confidential treatment is sought and proceeding.

The specific information for which confidentiality is sought is the attachment to the Company's Form 481 detailing the Company's initial Five-Year Plan, which provides information concerning annual projected network improvements and upgrades for voice and broadband services during the period from 2015 through 2019, and projected capital expenditures and operating expenses for voice and broadband services during the same five-year period.

2. Degree to which the information is commercial or financial or contains a trade secret or is privileged.

The information for which Brookings seeks confidential treatment is competitively sensitive data that Brookings maintains as confidential and does not make available to the public. The information is competitively sensitive projected network improvements and upgrades for voice and broadband services and projected capital expenditures and operating expenses for voice and broadband services for the period 2015 through 2019 which, if made available to competitors and alternative providers, would provide such entities with valuable information regarding Brookings' customer base and plans.

This information would assist competitors in targeting their marketing efforts. Brookings is subject to actual and potential competition with respect to all of its services. The Five-Year Plan provides insight into Brookings' strategy and degree of success with specific types of services in its service area. If competitors are able to gain an unfair advantage by obtaining such a detailed picture of Brookings' strategies and successes, they may be able to anticipate Brookings' strategic initiatives in a targeted way. Thus, the filing contains information about the company's business plans that is clearly "commercial" and "financial" in nature. The information is confidential and entitled to protection because the disclosure of the information is likely to cause substantial harm to the competitive position of the person from whom the information is obtained.

3. Degree to which the information concerns a service that is subject to competition; and manner in which disclosure of the information could result in substantial competitive harm.

As shown above, the information for which Brookings seeks confidential treatment is competitively sensitive information which, if made available to competitors and alternative providers, would provide those entities with valuable information concerning Brookings' customer base and strategic plan.

REDACTED- FOR PUBLIC INSPECTION

Marlene H. Dortch, Secretary
June 25, 2014
Page 3 of 3

4. Measures taken by Brookings to prevent unauthorized disclosure and availability of the information to the public.

As shown above, Brookings maintains the data for which confidential treatment is requested as confidential and does not make it available to the public.

5. Justification of the period during which Brookings asserts the material should not be available for public disclosure.

Brookings requests that this information be accorded confidential treatment until such time as it is publicly disclosed by Brookings. An indefinite period of confidentiality is required because the information is projected information that provides insight into the Company's confidential strategies and business successes even after the period has expired. For example, the fact that projected projects are not undertaken would also provide valuable competitive information about Brookings' strategies and successes to competitors.

All correspondence and inquiries in connection with this request should be addressed to Brookings' counsel, whose email address is mjs@bloostonlaw.com.

Respectfully submitted,
**City of Brookings Municipal
Telephone Department**

WHAT IS CPNI? CPNI stands for Customer Proprietary Network Information. In short, that means all information about any customer that is contained on their account in a telephone company's records.

WHY IS IT SO SPECIAL? Very often, the information on an account is personal and should remain confidential. This could include the address of an unpublished phone number, a customer's Social Security or Driver's License number, the phone numbers they call long distance, and various other pieces of information.

HOW DOES SWIFTEL KEEP IT CONFIDENTIAL? Swiftel has requested all customers to provide a password for their account and answer three security questions. When you contact Swiftel about your account, the password or security questions are confirmed before releasing any information.

Swiftel has added a software feature that records every access to every customer's account. This will track which employee accessed an account, the information that was viewed and the date/time of the access. In addition, Swiftel will send a letter to you if any of the following actions were recorded on your account: name or mailing address change, password change, security questions or answers change, authorized user change, or if the access to the account required the answer of a security question.

If you haven't yet set up your account password, need to make a security question change, or simply have questions about CPNI, please contact the Swiftel Communications office by phone, or at the location listed above.

Pursuant to § 54.313(a)(6) for High-cost Recipients, Carrier hereby certifies that it is able to function in emergency situations as set forth in § 54.202(a)(2). Carrier is able to remain functional in an emergency situation through the use of back-up power to ensure functionality without an external power source. Independent Auditor's Report

Municipal Utilities Board
City of Brookings Municipal Utilities
Brookings, South Dakota

Report on the Financial Statements

We have audited the accompanying statement of net position of the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities, enterprise funds of the City of Brookings, South Dakota, as of December 31, 2013, and the related statements of revenues, expenses, and changes in net position, and cash flows for the year then ended, and the related notes to the fund financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities, enterprise funds of the City of Brookings, South Dakota, as of December 31, 2013, and the changes in their financial position, and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that the accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities, enterprise funds of the City of Brookings, South Dakota, and so not purport to, and do not, present fairly the financial position of the City of Brookings, South Dakota, as of December 31, 2013, the changes in its financial position, or where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated April 2, 2014 on our consideration of the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Electric Fund, Telephone Fund, Water Fund and Wastewater Fund of Brookings Municipal Utilities' internal control over financial reporting and compliance.
